

Dear Speakers and NOHA Academics,

At the beginning of September, we shall have a pleasure to welcome you in Warsaw on the occasion of the 2019 NOHA Intensive Programme. We would like to draw your attention to some technical issues related to your sojourn in Poland.

Accommodation

You will be staying at the hotel IBIS Stare Miasto (Muranowska):

<http://www.accorhotels.com/gb/hotel-3714-ibis-warszawa-stare-miasto-old-town/index.shtml>.

The hotel is very close to the Old Town (in fact it is situated almost in the heart of the former Ghetto) and it gives you an opportunity to visit some historic sites of Warsaw.

Transport

Between August 31 and September 2 because of the commemorations of the 80th anniversary of the outbreak of the World War Two and US President Trump visit to Poland we expect some traffic disruptions in the city centre and around the University of Warsaw. Please check regularly IP 2019 event on Facebook for any updates.

To get to the University (Krakowskie Przedmieście 26/28) we recommend a healthy walk which takes 30 minutes or to take one of buses (116, 178, 503 or 518) from the MURANOWSKA bus stop at the Bonifraterska Street (it takes roughly 8 minutes to get to the University, buses leave every few minutes in peak hours).

To plan your route you can use:

<https://www.google.co.uk/maps/dir/Hotel+ibis+Warszawa+Stare+Miasto,+Muran%C3%B3w,+Warszawa,+Polska/Uniwersytet+Warszawski,+Krakowskie+Przedmie%C5%9Bcie,+Warszawa,+Polska/@52.2529903,20.9997765,18z/data=!4m14!4m13!1m5!1m1!1s0x471ecc76de182915:0x1f932001b2efaf3d!2m2!1d20.998703!2d52.253871!1m5!1m1!1s0x471ecc5e36fa6309:0xa4a1cda06c5afc7f!2m2!1d21.0186012!2d52.2403463!3e3>.

The timetable of 116 is available here:

http://www.ztm.waw.pl/rozklad_nowy.php?c=182&a=116&n=7018&o=05&l=2.

Other buses can be checked at this website as well.

IMPORTANT: On weekends Krakowskie Przedmieście is closed to the traffic and all buses have to take a detour route. In this case, take any of the buses to the stop PLAC PIŁSUDSKIEGO or PLAC MAŁACHOWSKIEGO and then walk to the university main campus (5 minutes).

Please bear in mind that this year the whole IP will take place at the main campus Krakowskie Przedmieście 26/28 in the Collegium Politicum building, marked as number 6 on the map below.

In your welcome pack at the hotel, you will find a final version of the IP programme and of internal meetings as well as 2 tickets per day for public transport. When you use your ticket, you can change buses, trams, underground as many times as you wish but your journey can last a maximum of 75 minutes. The ticket allows you to get to the University (even to get lost in the meantime ☺) and 75 minutes is sufficient to get to Chopin airport (take 116, leaving from the University and then change for the 175). If you do not use all of your tickets, we would appreciate if you could return them to one of the coordinators or volunteers.

Kindly note that we do not organise shuttle services.

During World War II, Czesław Miłosz, a student of the University (in 1932), who was later to win a Nobel Prize for Literature (1980), worked at the Old Library as a caretaker.

The Main Gate is one of the most distinguishable symbols of the University. It is ornamented with a crowned eagle surrounded with five stars which symbolise the first five faculties of the University.

The University's oldest building was constructed before 1643. It was initially the summer residence of the kings of Poland: Władysław IV, Jan Kazimierz, who gave the palace its name, and Jan III Sobieski.

THE MAIN CAMPUS
26/28 Krakowskie
Przedmieście Street

The university life concentrates in three campuses: Main, Ochota and Służewiec, located in different districts of Warsaw. The University's historic seat, located in the heart of Warsaw, is widely appreciated for its elegant architecture. Impressive edifices, dating back to the 17th century, rank high among Warsaw's sightseeing musts.

**UNIVERSITY
OF WARSAW LIBRARY**
56/66 Dobra Street

In the library, there is one of the largest collections of academic volumes in the country as well as one of the biggest and most beautiful roof gardens in Europe. The garden is divided into two parts: the upper and the lower, joined by a cascading stream. The upper garden is open to the public from April to October; the lower garden is open all year round.

The Column Hall is the most lavish place in the Former Museum Building. It is open for guests every Wednesday from 10 a.m. to 5 p.m.

Fryderyk Chopin, the most famous Polish composer, lived in the Former Rectory Building with his parents and sisters. He was a student of the Main School of Music, the part of University.

In the first part of the 20th century the St. Roch Hospital served as an actual city clinic.
